

## DAILY BREAD

### Matthew 6:11

In the 4<sup>th</sup> petition of the Lord's Prayer, Jesus shifts from "your," to "us" and "our."

From your name, your kingdom, your will, to give us, forgive us, lead us not, deliver us. The request is for something that seems almost too simple after asking for such great things: bread.

The prayer for bread seem \_\_\_\_\_ and \_\_\_\_\_, but it is not \_\_\_\_\_.

Our \_\_\_\_\_ doesn't really begin with \_\_\_\_\_; it begins with a \_\_\_\_\_.

All of \_\_\_\_\_ is within the \_\_\_\_\_ of \_\_\_\_\_.

When we pray \_\_\_\_\_ and \_\_\_\_\_ we attach ourselves to the \_\_\_\_\_ of \_\_\_\_\_.

We need \_\_\_\_\_ every day to not only \_\_\_\_\_, but \_\_\_\_\_.

In the Lord's Supper, Jesus puts Himself in our hands, so we know exactly where to find Him. As we receive the elements, we don't have to wonder whether God is for us. We know He is because we've just tasted His provision. He is our daily bread, and He is represented and embodied in the physical bread we receive.
